

SHIFT YOUR EVENT INTO HIGH GEAR

WE HELP YOUR COMPANY HAVE A SUCCESSFUL EVENT

Whether you choose a Clubhouse rental, Corporate Driving Experience or Corporate meetings, our services are designed to enhance your productivity and marketing exposure goals. Club Sportiva Driving Experiences are ideal for team-building exercises, client entertainment, and team awards.

Club Sportiva's Silicon Valley Clubhouse offers a unique venue and intimate atmosphere for any event, such as corporate off-sites, conferences, special events, birthdays, or charity galas. With high-end exotic vehicles serving as décor, our state-of-the-art facility has the amenities that you need to entertain and impress your guests.

Corporate Driving Experiences offer a chance for guests to get behind the wheel of some of the most beautiful exotic, sport, and luxury vehicles in the world. Our multi-million dollar collection includes vehicles from such brands as Ferrari, Lamborghini, McLaren, Maserati, Porsche and more.

Clubhouse Features

The Silicon Valley Clubhouse provides a flexible space for conferences, team off-sites, presentations, happy hours, meetings, and much more. The space includes amenities such as large screen HD televisions, driving simulators, pool table, foosball table, and multiple meeting rooms. Our conference room and Member Study provides a unique quiet atmosphere for private meetings. Upstairs, guests can enjoy the private cigar lounge and bar which overlooks our fleet of luxury vehicles.

Corporate Driving Experience

Club Sportiva's custom-tailored Driving Experiences are ideal for team-building exercises, client entertainment, and executive off-sites. Our most popular Experiences are available in corporate guise and our clients have the opportunity to customize their event to best fit their company's needs.

These Experiences can include anywhere from one vehicle up to thirty vehicles, and range in length from ten miles up to two hundred miles. We can bring vehicles to you wherever you are located in California.

After the Drive

Club Sportiva Silicon Valley's Clubhouse is a great place to wind down after driving a multitude of high-end vehicles. Once the drive has concluded, many of our corporate clients choose to host a happy hour with appetizers in our stunning Clubhouse.

With 8,000 square feet, the Clubhouse provides a flexible space that can be transformed with your choice of custom lighting and backdrops to fit your event's motif. In addition, multiple refreshment and bar stations are accessible within the facility to ensure that your guests are not parched.
